GEOSYNTHETICS INTEREST GROUP OF SOUTH AFRICA (GIGSA)

GIGSA is a non-profit organization dedicated to the scientific and engineering development of geosynthetics and associated technologies in South Africa. GeoAfrica 2009 is the first IGS Regional Conference and Exhibition to be held in Africa.

DATES AND VENUE

The GeoAfrica 2009 Exhibition will be held at the Southern Sun Cape Sun Hotel, Cape Town, South Africa from 2nd - 4th September 2009.

Come to “the Fairest Cape in all the World” (Sir Francis Drake in 1580). Cape Town, in the Western Cape is ideally situated. This is a region of South Africa known for extraordinary beauty and variety – the richest floral kingdom in the world with more than 16000 different species – the fertile fruit and wine producing valleys – the rugged mountains, forests and endless coastline – where nature has created eco-systems that are alive and well. The wealth of scenic attractions in the immediate vicinity provides for a wide range of one-day tours for pre and post-exhibition sightseeing.
